

Barrels XXVIII - 2015
Chicago, IL
October 15-16, 2015
Northwestern University School of Law

The 28th Annual Barrels Meeting will be held on Thursday, October 15 and Friday, October 16 at the Northwestern University School of Law, Chicago, IL.

This is immediately prior to the annual Society for Neuroscience meeting, also held Chicago, IL.

Preliminary Schedule

Circuit Breakers

Bobby Kasthuri, Boston University
Troy Margrie, University College London, UK
Joanna Urban-Ciecko, Carnegie Mellon University
Ian Wickersham, Massachusetts Institute of Technology
Moderator: Jochen Staiger, Georg-August Universitat

Decision Making

Mathew Diamond, SISSA, Trieste, Italy
Daniel O'Connor, Johns Hopkins University
Cornelius Schwarz, Universitat Tubingen, Germany
Jianing Yu, Janelia Research Campus
Moderator: Edward Zagha, Yale University

Social Behavior and Communication

Ann Clemens, Bernstein Center, Germany
Gul Dolen, Johns Hopkins University
Peggy Mason, University of Chicago
Adi Mizrahi, Hebrew University, Israel
Moderator: Robert Froemke, New York University

We invite all participants to deliver a short platform presentation and/or present a poster. Those wishing to give platform presentations must register by September 1; acceptance of the talk will be communicated by September 30.

Registration: Early registration is available until August 1 (\$125 fee for graduate students and post-doctoral fellows, \$230 for faculty members); after August 1 a \$50 late fee will be added.

Online registration is now open at www.regonline.com/barrels28

Housing: There is no official Barrels hotel this year, as the meeting is in Chicago, IL, the host city of the Society for Neuroscience annual meeting. We suggest that you make your housing reservations through the Society.

Further information: Please contact Joshua C. Brumberg at joshua.brumberg@qc.cuny.edu.
